PEOPLE OF ACTION

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers with diverse backgrounds, interests, and talents.

Rotary clubs unite service-minded people to exchange ideas, build relationships, and take action to create lasting change.

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our communities, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

SERVICE ABOVE SELF

The heart of Rotary is our dedicated members, people who share a passion for community service and friendship.

Below is a partial list of the organizations our club partners with and supports:

- Nourish NJ and God's Co-op Food Pantry (provide meal kits and sort food)
- Community Hope at Lyons Veterans Hospital (partnering with other clubs to distribute new clothing items to homeless veteran residents)
- Somerset Hills YMCA (Giving Garden and summer camp)
- Contributions to many local and international non-profit organizations, supporting shelters, medical needs, grief counseling, scholarships, fire and rescue, and disaster relief
- End Polio Now — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all

ROTARY INTERNATIONAL

Rotary International supports Rotary clubs around the world by coordinating global programs and initiatives. Our primary areas of focus:

- Provide clean water, sanitation, and hygiene
- Fight disease
- Support education and literacy
- Save mothers and children
- Grow local economies
- Protect the environment

THE ROTARY FOUR-WAY TEST

Is it the truth?

Is it fair to all concerned?

Will it build good will and better friendships?

Will it be beneficial to all concerned?
